Staff Spotlight

For 15 years, Jannet has walked alongside families facing trauma, substance abuse, and violence.

As a parent educator, she teaches caregivers how to create safe, nurturing homes—breaking harmful cycles and helping children return to stable, loving environments.

“Often,” Jannet says, “the adults have their own history of trauma. We work through it, one step at a time.” Her approach is rooted in compassion and deep listening. “You have to leave judgement at the door. Only then can trust and growth begin.”

Many families Jannet works with eventually reunite. “I love when I get a photo from a past family—smiling, together, thriving. That’s what this work is about.” **Read the full spotlight on our website.**

New (Familiar) Home for Rape Crisis Center
the Rape Crisis Center has moved to a new—but familiar—location at 735 W. Oak Ave., Visalia, a space that has supported many of our programs over the years. This site now serves as the central location for our essential crisis response and support services for survivors of sexual violence and their families. If you or someone you know needs support, please call our 24-hour Sexual Assault Hotline at 559-732-7273. We’re here to help.

Program Spotlight

A New Beginning Through CalAIM

Thanks to the CalAIM program and dedicated case management, one of our clients successfully moved into stable housing. They received help with their deposit and first month’s rent, and with support from Anthem and our supportive housing team, their home was fully furnished within two months using gently used items and community referrals.

CalAIM (California Advancing and Innovating Medi-Cal) is a statewide effort that provides extra support and care coordination for people with complex needs.

The family keeps in touch with their case manager, receiving ongoing support and food assistance as needed. “I’m so grateful for everything. I finally feel like I have a place to call home,” they shared. We’re proud to support their journey to stability.
