Family Support

BEYOND SERVICE

These words are from the families we helped together; Thanks to you in 2021!

“

I appreciate the time I spent here and feel much stronger and supported in my situation.

”

Jo

Domestic Violence Survivor & Karen's House Resident

“

I feel safer today than I thought I ever would. I don't feel helpless anymore because I feel like I will get the help I need to get where I need to be.

”

Tonya

Legal & Advocacy Services Client

“

This place is one of the most loving, caring, protecting, safe haven. They have done so much for me and my family. I will forever be grateful to Karen's House family (staff members). They go out of their way to help with anything we need. Karen's House family is the best.

”

Lisette

Domestic Violence Survivor & Karen's House Resident

“

I was never one who believed in counseling. I would think, you can do it yourself. You can set your mind to it. That's not true, I was wrong. Now I believe everyone can benefit, it doesn't matter who the person is we all go through different things and should think of counseling. If it wasn't for the sessions that I have now, I don't know where I would be. I don't know if I would have been pulled back into the environment that I was in before. The counseling center has helped me by opening my eyes to my life. Counseling is also a support. I am taking advantage of this time. They help me grow, they help reassure me that I can get out and get through it.

”

Sandra

Counseling Services Client

“

When no one was there...you were there. When I wanted to give up on myself and run away, you were there to encourage me. You saw the injustices I've been through and have fought with me by my side. Thank you. I know I can count on you, you are my greatest support!

”

Domestic Violence Survivor & Karen's House Resident
