PROFESSIONAL SERVICES RENDERED: Family Services of Tulare County

Preparation of federal and state income tax returns for the year ended: 2016

Preparation of: 990 and 199

## INFORMATION ON SERVICES

Your income tax returns have been prepared based on information supplied to us by you. The tax return was signed by the person preparing the return or the person who checked and verified it. We urge you to carefully review the returns. Our procedures require careful checking in our office. However, incomplete or misunderstood information can cause errors. Should you find an error, please call us so that corrections can be made.

Our charges for the preparation of the return are due and payable upon completion of the engagement and presentation of our invoice.

For your protection, our interview sheet and working papers, together with a copy of your returns, have been retained in our files. Should you lose your copy or desire any information, feel free to call us. Generally, it is our firm's policy to retain copies of your tax returns and related records for seven years, after which they will be destroyed.

With the use of data processing by the federal government, it is important that all items be correctly reported. Many more returns will be audited by the Internal Revenue Service and especially those with differences between the return and other information they have received. These returns will be automatically thrown out of the machines for special scrutiny.

In case of audit or inquiry by the government, we suggest you contact us for assistance. Often small matters develop into serious adjustments because of misunderstanding of questions asked or proof required by the taxing agencies. Our fee does not include special work required to handle the audit. The fee on such matters will depend upon the nature and importance of the work required.

As your CPA firm, we collect:

- Information provided by you from worksheets, documents, and discussions.
- Information that we develop as part of your engagement.

As your CPA firm, we are required to keep all information about our engagement confidential so we will not disclose any information about you unless we have your approval or are required/permitted by law. This applies even if you are no longer a client.

As your CPA firm, we are committed to the safekeeping of your confidential information and we maintain physical, electronic, and procedural safeguards to protect your information.
